ANSWER

THE MINISTER OF COOPERATION
(SHRI AMIT SHAH)

(a) to (b): Ministry of Cooperation has set up Bhartiya Beej Sahkari Samiti Limited (BBSSL) under the Multi-State Cooperative Societies (MSCS) Act, 2002. The BBSSL will undertake production, procurement & distribution of quality seeds under single brand through cooperative network to improve crop yield and develop a system for preservation and promotion of indigenous natural seeds. BBSSL will help in increasing the seed replacement rate, and varietal replacement rate by ensuring the role of farmers in production of certified seeds.

This society will focus on production, testing, certification, procurement, processing, storage, branding, labelling and packaging of all three generations of seeds i.e breeder, foundation and certified through Primary Agricultural Cooperative Societies (PACS) by leveraging various schemes and policies of different ministries of Government of India in a focused manner through 'Whole of Government Approach'. This will also help in achieving the goal of "Sahakar-se-Samridhi" through the inclusive growth model of cooperatives where the members would benefit both by realization of better prices by production of quality seeds, higher production of crops by use of High Yielding Variety (HYV) seeds and also by dividend distributed out of the surplus generated by the society.
