**JHAMFCOFED is benefitting 25,000 tribal families directly and over 1 lakh MFP Collectors indirectly through State schemes**

**Promotion of MFP based products viz. tamarind, chironji, biju mango etc through JHAMFCOFED'S Model Outlets**

**Products of local MFP gatherers mostly tribals viz. tamarind, chironji, etc are made more marketable and their income is getting enhanced and sustainable**

## Creating cold chain infrastructure

Solar Based Mini Cold Room

Cold Storage

- 19 cold storages (5000 MT) established across Jharkhand
- 139 cold rooms of 30 MT established
- 32 solar based mini cold rooms established

# New initiatives – Women Empowerment & Livelihood

## Women Entrepreneurship

**Women entrepreneurship through poultry development by Jharkhand Women's Self-Supporting Poultry Co-operative Federation Ltd.**

**266 Weavers Cooperative Societies and one regional Cooperative Union 'The Chotanagpur Regional Handloom Weavers Cooperative Union Ltd for livelihood for women**

# New initiatives – alleviating the vagaries of crop loss

## Crop assurance farmers through Jharkhand Rajya Fasal Rahat Yojna (JRFRY) without any premium

Both 'Raiyat' & 'Bataidaar' farmers are eligible to apply

Both Kharif (Paddy & Maize) and Rabi (Wheat, Mustard, Gram and Potato) season crops are covered in the scheme

No intermediary role of insurance companies and no premium is required to be paid by applicant farmers

Assured financial assistance to eligible farmers only in the event of crop loss occurred due to natural calamity

In event of 30-50% loss: Rs. 3000/ acre max. upto 5 acres  
In event of >50% loss: Rs. 4000/ acre max. upto 5 acres  
(Loss estimation through data of Crop Cutting Experiment)

Online application: <https://jrfrj.jharkhand.gov.in> either by logging on to the portal or may apply at the nearest Common Service Centre

**More than 10 lakh applications already received under this scheme for Kharif Season 2022**

# Issues/ Challenges and Suggestions

## Issues

Building capacity of LAMPS/  
PACS and cooperative societies

Infrastructure gaps

Policy interventions for  
Cooperative Development

Mobilization of cooperatives

Marketing Linkage

## Suggestions/ Support required

- Inter-state exposure visits of LAMPS/ PACS and field officials for cross learning
- Provisioning thematic/ issue-based trainings LAMPS/ PACS and Cooperative Societies
- Infrastructure such as warehouse, offices, vehicles etc may be provisioned through Central sector integrated scheme on agricultural cooperation
- Priority to Cooperatives in Centrally Sponsored Schemes for local employment creation
- Policies on interest subvention, human resources development, capacity building etc
- Cooperative specific Export Policy
- Support for organizing National/ State Level Cooperative Conclaves
- Support for organizing District Level 'Sahkarita Sammelan'
- Promoting cooperative products through common product branding for cooperatives
- Promoting online marketing portal
- Organizing buyers-sellers meet

**Thank you!**
