Handling of Questions and Answers by Ministries/Departments

1. Response to Notices of Starred / Unstarred Questions Sent for Seeking Factual Information

- A copy of notice of Question, as given by the Member, is sent to the Ministry/Department **electronically** for furnishing the **factual information** so as to decide the admissibility of the Question.
- The Ministry /Department must furnish the factual information in respect of such a notice of Question positively **within two days**, with particular reference to points like whether the Question relates to their Ministry /Department, it seeks secret information, etc.

2. Response to Provisionally Admitted Questions (PAQs)

- Provisionally Admitted Questions (PAQs) are sent to the Ministries/ Departments through E-mail to enable them to furnish to this Secretariat, the inputs in cases where they are of the view that the Question does not merit admission in their name and to initiate action for preparing the reply.
- The Ministries/Departments are requested to respond to PAQs promptly so as to enable the Secretariat to take into consideration all the relevant inputs while finalizing the lists of Questions.

3. Circulation of PAQs and Printed Lists of Questions

- Circulation/sending of PAQs in hard copy format has been discontinued. Now, PAQs are sent in electronic form only by e-mails. All the Ministries/ Departments are, accordingly, requested to make necessary arrangements at their end to receive PAQs in electronic form only and take further necessary action thereon immediately.
- **The circulation of printed lists of Questions has now been discontinued.** However, the final lists of question will be available on Rajya Sabha website for perusal.

4. Supply of Answers to Questions

- The Ministries/Departments of Government of India are required to supply 235 **legible copies in English and Hindi of Answers to Starred and Short Notice Questions** (in separate sets of 60 for Distribution Branch and 175 for Question Branch) and 110 **legible copies in English and Hindi of Answers to Unstarred Questions** (in separate sets of 60 for Distribution Branch and 50 for Question Branch) for being laid on the Table of the House during the Session. The English and Hindi versions of the Answers may be furnished on the obverse and reverse side of the paper or be stitched together.
- The Ministries/Departments must ensure that all the Answers are timely dispatched so that they are received in this Secretariat by 5.00 p.m. on the

previous working day of the day of Answer.

- It has been observed that sometimes copies of Answers supplied by some of the Ministries/Departments are neither clear nor legible. In view of this, it is requested that-
 - Text of Question should be copied from the PQA-RS portal.
 - Answers may be prepared using electronic typewriters, inkjet or laser printers only.
 - Copies may be prepared preferably by photocopying rather than cyclostyling or resography.
 - Underlining should be strictly avoided and italics or bold fonts may be used instead of underlining, if necessary.
 - In so far as the English version of the Answer is concerned, Times New Roman font of size 12 may be used.
 - In the case of the Hindi version of the Answer, Unicode Font(Hindi version) is to be used.
 - In the English version of the Answer, the portfolio or the name of the Minister should not be shown in Hindi.
 - When the Answer contains tables, grid lines may be shown to clearly identify the rows and columns.
 - Tables should be prepared separately in Hindi and English. The practice of producing the English as well as Hindi text on the same table by multiple photocopying has often been seen to produce faint and even unreadable copies. Therefore, it should be avoided.
 - The words – ‘RAJYA SABHA’ ‘STARRED (or UNSTARRED) QUESTION’ ‘ANSWER’, ‘STATEMENT’ and the HEADING should be in capitals and bold. Name(s) of the questioners and name and designation of the Minister, etc. may be in capital, but not in bold.
 - The end of the answer/statement should be clearly indicated by a line of stars, i.e. ‘*****’
 - Model formats of Answers (Starred and Unstarred Questions) are attached.
- Each part of the Question shall be answered separately and clearly. **It has been observed that the Ministries/Departments often do not answer each part of the Question separately and clearly.** In this connection, attention is invited to the following direction of the Hon'ble Chairman, Rajya Sabha issued during the course of examination of a case of breach of privilege arising out of the answer to a Parliament Question:-

“Answers to all questions given in the Rajya Sabha shall be specific and complete and each part of the question or each item of information asked for therein shall be answered separately.

If, on his attention being drawn to an answer, the Chairman is satisfied that it does not fulfil this condition, he may direct the Minister to give a specific and complete answer to each part of the question.”
- In case, the copies of Answers supplied are desired to be replaced or some corrections are to be carried out in those copies, necessary intimation in writing to that effect and revised copies of Answers should be sent so as to reach the Question Branch, Rajya Sabha Secretariat (Room Nos.229 and 235), Parliament House Annexe,

(Telephone Nos.23034229, 23034266, 23034235, 23034233 and 23034236) not later than **8.00 p.m.** on the previous day on which the Questions are due for answer.

- Whenever the reply to a Starred Question is lengthy (exceeds 5 or 6 lines) or contains statistical information, it should invariably be laid on the Table of the House in the form of a statement to the answer to that question.
- The assurances are generally not given in reply to a Starred Question. The Ministries/Departments are, therefore, advised to refrain from furnishing assurances in reply to a Starred Question. Where the Ministry feels that reply to a Starred Question shall result in assurance only, this may be brought to the notice of Joint Secretary/Director-in-Charge of this Secretariat immediately on receipt of the PAQ.

5. Correcting Statement by Ministers:

- When a Minister desires to correct any inaccuracy in the information furnished in respect of Starred/Unstarred/Short Notice/Supplementary Question, he/she is required to make/lay a statement correcting the answer in the House. All the Ministries/Departments are requested to adhere to the standard format given below while sending the request for correcting answers to such Questions.

ANSWER

MINISTER OF PARLIAMENTARY AFFAIRS, COAL AND MINES
(SHRI PRALHAD JOSHI)

(a) to (g): A statement is laid on the Table of the House.

Statement referred to in reply to parts (a) to (g) in respect of Rajya Sabha Starred Question No. 160 for reply on 01.08.2022 regarding coal production and maintenance of post excavated areas in Meghalaya asked by Shri Rakesh Sinha.

(a): The estimated coal resources in Meghalaya, as per Coal Inventory of India published by Geology Survey of India (GSI) as on 01.04.2021 is 576.48 MT.

(b) & (c): As per information received from Coal Controller Organization (CCO), no coal production has been reported during last 4 years from the State of Meghalaya.

(d): The Hon'ble National Green Tribunal, in its order dated 09.06.2014, has noticed that there has been serious air, water and environmental pollution being caused by the illegal, unregulated and indiscriminate rat-hole mining being carried on in various parts of the State of Meghalaya.

(e): In order to preserve the ecology of Meghalaya, Hon'ble Supreme Court in its judgment dated 3.7.2019, has made the following decisions:

1. The provisions of The Mines Act, 1952 are mandatorily to be followed before working a mine. The regulations namely Coal Mines Regulations, 2017 also contains several regulatory provisions which need to be followed while working a mine by a mining lease holder.
2. The enforcement of Mines Act, 1952 and the Regulations, 2017 have to be ensured by the State in the public interest.
3. As per statutory regime brought in force by notification dated 15.01.2016 issued under Environment (Protection) Act, 1986, environmental clearance is required for a project of coal for mining of any extent of area. While implementing statutory regime for carrying mining operations in the Hills Districts of the State of Meghalaya, the State of Meghalaya has to ensure compliance of not only MMDR Act, 1957 but Mines Act, 1952 as well as Environment (Protection) Act, 1986.
4. In Hill Districts of State of Meghalaya for carrying coal mining operations in privately owned/community owned land, it is not the State Government which shall grant the mining lease under Chapter V of Rules, 1960, but it is the private owner/community owner of the land, who is also the owner of the mineral, who shall grant lease for mining of coal as per provisions of Chapter V of Rules, 1960 after obtaining previous approval of the Central Government through the State Government.

(f): The State Government has been implementing an action plan prepared by the Committee constituted by the Hon'ble National Green Tribunal and approved by the Hon'ble NGT, to close down the openings of mines which were created before the ban imposed by Hon'ble NGT in 2014 and is putting in place the safety measures around mine openings where there is still mineable coal reserves which can be utilized in future in accordance with law.

(g): Central Government has not done any social auditing in the state of Meghalaya.¹
