IFFCO forays into Agri-drones through “IFFCO Kisan Drone”

IFFCO has launched a massive Nationwide campaign for procuring 2500 drones “IFFCO Kisan Drones” as spray solutions for spraying its revolutionary products Nano Urea & Nano DAP inspired by PM’s vision of Sahkar Se Samriddhi. This will lead to development of 5000 rural entrepreneurs which are identified by IFFCO to be trained for spraying drones. It is a huge Step for Upliftment of Rural Economy and a step towards Sustainable Agriculture.
