# All village panchayats to get PACS in 2 years: Govt

**Gandhinagar:** The state govt said on Tuesday that it aims to cover all village panchayats with primary agriculture credit societies (PACS) in the next two years. An official statement mentioned that since 2023, 476 new PACS, 691 milk cooperatives, and 22 fisheries cooperatives were set up in the state.

As of today, 10,957 PACS were integrated into 13,875 panchayats in Gujarat. "The state govt's goal is to cover all village panchayats with PACS services in the next two years," the statement said. TNN
